Third Supplemental Amendment Under 37 C.F.R. 1.111

As requested by the examiner in a phone conversation on May 13, 1999, the Applicant is submitting this Third supplemental amendment.

IN THE SPECIFICATION

Page 2, line 21, after "questions.", delete the following. "Among the suitable characteristics of physical appearance or traits which can be compared are, for example a fingerprint, an eye scan to determine the color of the eyes, hair coloring, weight, identifiable birth marks, the race of the individual and the like.", and insert the following—~~Among the suitable characteristics of physical appearance or traits which can be compared are, for example a fingerprint, a facial image and a signature.~~

IN THE ABSTRACT

Please delete the entire abstract and enter the following amended abstract.

—ABSTRACT

Methods and apparatus are described which provide secure interactive communication of the text and image information between a central server computer and one or more client computers, located at remote sites for the purpose of storing and retrieving files describing and identifying unique products, services or individuals. Textual information and image data from
